Become a Professionally Trained Coach Fast!

Coach U's **Core Essentials Fast Track Program™** (CEFTP) is a **6-day live** intensive training program designed to accelerate your path to becoming a professional coach. Participants will gain a solid foundation in **coaching skills they can immediately put to use with both individuals and organizations**. In only a short time, you can be making a positive difference in the lives of others and in the culture you influence.

The CEFTP offers **77 hours of training** in coaching core competencies and upon graduation of the program, participants may apply for their **ACC** (Associate Certified Coach) with the International Coaching Federation under the ACSTH pathway.
